L.G. Widow Wins \$100

Thelma M. Groff, 2548 Cindarella Way, Lemon Grove, won \$100 at Bill Looney's Chevron Station, Broadway and Buena Vista in Lemon Grove.

Each week Standard Oil conducts a Cash-on-the-Line contest. Motorists are given a ticket with 12 numbers. The following week a Master Card is posted in the station. If any one of the numbers match the master card, he wins the matching amount.

Mrs. Groff, widow of a Marine Corps major, said she "plans to use the money to pay bills. With three teenage children there are a lot of bills to pay."

"It's the first time in my whole life I ever won anything," she said.

She is office manager for Industrial Metals in downtown San Diego.

Looney said Mrs. Groff is the fourth winner his station has had. The other three won smaller amounts.

MEN'S CLUB VENERABLES — Three keystone members of yesteryear's Lemon Grove Men's Club are pictured here. Dr. F. P. White, who was 74; Sam Frazier, who was 92, and J. H. Halley, who was 84, were guests of honor at the club's elderly residents' program in June, 1938. The picture is reproduced from a Lemon Grove Review. The clipping is from the files of A. F. Sonka.

NEARLY THIRTY YEARS AGO

L.G. Men's Club Host 80 Men Over 70

by Max Goodwin

The Lemon Grove Men's Club, which has had its ups-and-downs over the past few years, is still fighting for survival.

It was not always thus. Years ago, before the rapid transmission of information became commonplace — before the ultra fast press, radio and teevie — much knowledge of the workings of local, county and state government was brought to citizens in the person of speakers.

The Men's Club, in the '30's, was the centering point for much news and attendance often topped more than one hundred. And so it was on June 15, 1938 when the Club invited as guests all local males over 70 years of age. 81 men turned up. The meeting was held at the Orange Blossom, since destroyed by fire, at Imperial near Central.

According to a feature article in the Lemon Grove Review at the time, the program was arranged by Andy Anderson, then a garage man operator, and Tony Sonka, a property developer. Both men are still residents here. George Casteel, the club's president, died recently.

Three members were particularly honored at the meeting: Dr. F. P. White, a retired doctor, who was 74 at the time, was the town's only source of medical aid and comfort. There was no other doctor. Because he had retired, Dr. White performed his services without charge. He had lived in the community 37 years at the time.

Sam Frazier, a fine senior citizen of 92, was honored as being the oldest man present. He operated a lemon ranch at Kempf and Golden.

Some of the old-timers, who attended that day, most of whom have now passed, and their birthdates and places were:

J. H. Halley, 84 years old, had lived in Lemon Grove 28 years. He was an officer of what is now the Helix Irrigation District and an officer of

the Congregational church. He accepted officership in many clubs formed during that period.

A. J. Hayes, Canada, 1867; E. Blase, Germany, 1876; J. La Perl, Canada, 1873; J. O'Hara, Indiana, 1863; J. W. Champion, Ireland, 1869 and W. Murphy, New York, 1883.

A. S. Kerfoot, Missouri, 1868; F. P. White, Kentucky, 1864; Fred Ferguson, Texas, 1863; W. A. Powers, New York, 1861; J. W. Near, Pennsylvania, 1858. B. D. Baxter, Missouri, 1865; W. F. Livesay, Illinois, 1865; E. L. Blase, Indiana, 1866; Philo Hoy, Wisconsin, 1860; C. W. Casteel, Kentucky, 1859 and F. D. Silva, Pennsylvania, 1859.

J. Aubert, Switzerland, 1856; A. B. Warner, Scotland, 1858; W. A. DeHoff, Ohio, 1879; J. H. Halley, England, 1854; A. B. Wood, Michigan, 1860, and H. B. Ballard, Iowa, 1864.

Speaker at meeting was Forrest Warren, a columnist for the defunct San Diego JOURNAL. He died of cancer a decade later.

Youth is the keynote of today's Men's Club. James Dorman, a 30-year-old attorney, is president. Norman Huttsell, news editor of this newspaper, is vice president. He recently turned 21.

SWEETWATER ROAD — This pastoral scene was photographed approximately 20 years ago when Sweetwater road was a dusty, winding, back-country lane. A golf course, long since converted in a subdivision is off to the right. Brookside is the subdivision and Trinity Presbyterian church is the former clubhouse. A. G. Roberts is the goatherder in the photo. Until he died last year, Roberts kept goats and sold goat's milk from a ranch at Sweetwater and Broadway. The picture was

taken by Mrs. V. L. Van Zele who told how the goats once strayed up the hill to her home which faces on Golden Avenue in Lemon Grove. The goats ate the branches from a grove of citrus the Van Zeles had just planted. The goat herder brought several bags of goat fertilizer to the Van Zeles as penance. The combination of the unscheduled early pruning and liberal use of the fertilizer produced the finest citrus trees in the area, the Van Zele family recounted last week.

Tax Funds Buy Moscow Trip

Those of us who have followed the career of Congressman James Utt are often amazed at the revelations he offers his country. We are amazed because he tells of harsh things . . . things we don't like to hear about our voters, our educators, and our lawmakers.

Yet, he documents his statements and he doesn't hide behind Congressional immunity. Because of these important factors, thoughtful citizens place great credence in his utterances while his opponents oscillate between having fits and charging Congressman Utt with being an extremist.

Lemon Grove and Spring Valley at one time were in his district. Now, only the north part of Spring Valley remains, thanks to some adroit gerrymandering several years ago.

In his recent WASHINGTON REPORT, Utt reported that a Berkeley professor, Stephen Smale, co-chairman of the Viet Nam Day Committee at Berkeley, traveled to Moscow last month and called a press conference for NORTH Viet Nam reporters. He was quoted as saying that American actions in Viet Nam are "horrible and brutal."

According to Utt . . . and a colleague, Congressman Richard Roudebush of Indiana . . . Professor Smale also served as faculty advisor to the University of California Fair Play for Cuba Committee.

Utt questions whether it is the right of academic freedom to permit academicians to float around the world skirting the edges of treason by crying on the shoulders of our enemies while they slaughter our own boys in Viet Nam. Utt adds that in this age of academic enlightenment, perhaps Professor Smale's activities are his own business.

But, Utt hurriedly adds, it is Utt's business, and your business when this guy is financed by you and other taxpayers. According to Utt, Smale was given a lump-sum grant of \$91,500 by the taxpayer-financed National Science Foundation, \$13,000 of this sum paid for the red-carpet trip to Moscow on behalf of the Communists. He will use another \$6,000 next summer for another jaunt, Utt said.

Concludes Utt, "All of this might be termed 'liberalism in action,' if so, the liberals are very liberal with your money, your job, and worst of all, your freedom."

George Meany, president of CIO-AFL, said on a "Meet the Press" program recently that a way to curb inflation is hold down profits and dividends.

This is to inform Mr. Meany that we and most other small business are cooperating this year — although this isn't exactly what we had in mind when the year started.

A family we know intimately has more or less successfully resisted the urgings of its children to purchase a color television receiver.

Last week, when a film they had seen at a movie was programmed, they youngsters were asked what other program they would prefer.

"Let's watch the movie," said one. "We've never seen it in black and white."

National Newspaper Week Marked

by Ray Spangler, President

SIGMA DELTA CHI and

Publisher, Redwood City Tribune

In observing National Newspaper Week starting Oct. 9 in 1966, the readers of newspapers should be reassured by at least one substantial gain in the never-ending fight for freedom of the press. That milestone is the passage by Congress and the signing by the President of the federal open records law. This culminates a 12-year campaign by the press under the leadership of that great friend of freedom, Congressman John E. Moss of Sacramento.

Henceforth the burden of defending secrecy will be on those who would withhold information. Heretofore the reporter has had to justify his right to access.

This action once more reflects the eloquent language of California's open meeting law, the Ralph M. Brown Act: "The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created."

On the other side of the year's ledger is the Sheppard case in which the United States Supreme Court reversed a 1954

Western Auto Formal Opening Set For Thursday

Formal opening for Western Auto Store, 7771 Broadway, Lemon Grove, has been set for next week according to Red Harris, store owner.

After the ribbon is cut Thursday by Miss Lemon Grove, free coffee and cookies will be given to well-wishers. Major prizes will be given to residents whose addresses are listed on a bulletin board in the store.

Some items will be available at "ridiculous prices" in the bulletin board-address attraction. Harris said a bicycle for \$12, power mowers for \$9.90, hair-dryers for \$3.88 and auto floor mats for 39 cents are among the merchandise offered.

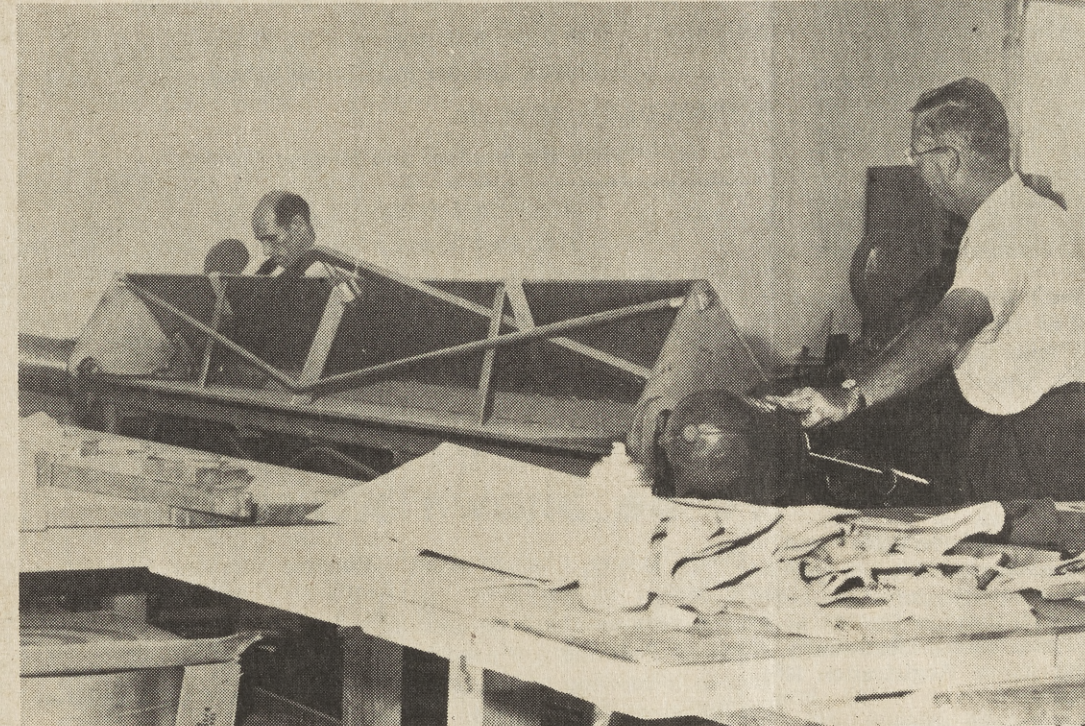

The bulletin board and address promotion will last for at least two weeks, Harris said.

The store was purchased by Harris several weeks ago but it took this long to build up a full inventory, he said.

NASA Jobs Open At Edwards AFB

An examination has been announced by the Board of U. S. Civil Service Examiners, National Aeronautics and Space Administration, Flight Research Center, Edwards, California for the position of Experimental Rocket Aircraft Mechanic, Grades WB-8 — \$3.22 per hour and WB-10 — \$3.47 per hour.

Further information and applications may be obtained from the above address or ask at any Post Office for application forms or information as to where they may be obtained.

Phenomenal Growth Shown By Grove's Ace Sheet Metal Works Company

Seventeen months ago two area men started a sheet metal works company at Broadway and Massachusetts in Lemon Grove. Ted Steele of La Mesa and Charles Foltz, who resides in the Rolando area, were the new proprietors who had high hopes for a successful business.

Since that time, Ace Sheet Metal Works has expanded at a phenomenal rate, even higher than the men expected in such a short period.

Ace Sheet Metal has grown physically from a 1,200 square-foot building at the former address to one occupying 2,400 square-feet at 6468 Federal Blvd.

But the biggest growth shows in the financial statement. The company completed \$19,000 in contracts in the first seven months. By December of this year, Ace Sheet Metal will top \$100,000 in business—and that's a conservative estimate.

Foltz has 20 years of experience in the field and Steele 17 years. They employ a staff of three — after starting alone.

"It is a very competitive business we're in. You have to know what you're doing," cites Steele. And the men have known what they've been doing since only 10 per cent of their business comes through the door—the rest is outside contract bidding.

Both men feel the future looks good, despite the current tight money situation.

SPENCER WILLIAMS
Spencer Williams, Republican nominee for State Attorney General, has announced the appointment of Dr. Cecil D. Hardesty as chairman of the San Diego County Spencer Williams for Attorney General Committee.

Rebidding Ordered For L.G. Post Office

Bids for building a new post office in Lemon Grove were tossed out and a new bid has been called.

Lemon Grove Postmaster Frenchy Faucher said that no bid was satisfactory.

Faucher received word from Postmaster General Lawrence O'Brien instructing him to announce that rebidding is necessary. Bids were originally called for in May of this year. Closing date for the new bidding is Oct. 18.

"This proposed new 11,162 square foot building," the Postmaster General said, "will replace the existing 4,017 square foot postal quarters at Lemon Grove."

Prospective bidders should contact Regional Real Estate Officer, David L. Warner, P.O. Box 1701, San Diego, Calif. 92112.

Burgener Here Friday

Mexico Hates Us, Cites Teacher

"There is a definite anti-American feeling in Mexico," John Strub, foreign languages teacher at Palm Junior High, told Lemon Grove Men's Club members last Friday.

Strub spent eight weeks in the interior of Mexico last summer at a language institute. He lived with a Mexican family during that time and "mingled with the people."

"They hate us. A lot of the reason is because of the terrific 'Red' propaganda there. Many people cannot afford newspapers so the Reds advertise their propaganda on billboards."

"They display President Johnson as a war-criminal type with

grotesque features by use of touched-up photographs. Fidel and his communist gang always appear benign. They show Mao Tse Tung with a smile."

"Another reason is Vietnam. They feel we should not be there."

"The Mexicans also resent the history of the United States as it effects Mexico. The administration of President Polk toward Mexico and Winfield Scott's expedition into Mexico City have caused hard feelings."

Strub said he noticed a social consciousness among the young people. They are asking, how are we going to get social justice for our people?

Strub remarked that Mexico is looked upon as the leader of Latin America by other Latin countries.

He added that Americans visiting Mexico can help the Latin opinion of the United States by being considerate of others' feelings.

This week's speaker will be Assemblyman Clair Burgener (76th District), who is running for the 38th State Senatorial District seat.

Burgener will give a preview of the 1967 legislative season and will participate in a question and answer period following his talk. The Men's Club meets at Brunswick Bowlero.

Modeling Class To Be Offered

The La Mesa Recreation Department will offer a charm and modeling class this fall. Classes will be Monday and Wednesday from 5-6:30 p.m. for girls in junior and senior high schools.

The course will stress good grooming, clothing selection, etiquette and figure control. A fee of \$2.50 for residents and \$5 for non-residents will be charged for the 10-week program.

Registration closes Friday at the La Mesa Recreation Center, 8440 University Ave., La Mesa.

Bus Tour Booked To Dixieland Festival

The Century Travel and Photographic Club will go to Disneyland by bus Saturday for a Dixieland Band Festival.

Louis Armstrong, Bob Crosby and the Bobcats, the Dukes, and other bands will participate in the Festival.

The bus tour leaves from La Mesa at 4 p.m. and the return trip starts at midnight. Helen and Eldon Goodall are accepting reservations.

Lions Sponsor \$50,000 Peace Essay Contest

The Lemon Grove Lions Club will conduct an essay contest centered around that most elusive commodity today — Peace, according to John Farle, club publicity chairman.

He said that all youths between the ages of 14 through 21 may compete for \$50,000 in awards made available by Lions International.

On the local level, according to club president Bud Young, local schools will encourage students to compete. Winner will be sent to the Lions District competition when local judging is completed Dec. 10. In charge of the event is John T. Gordon.

Winner at district level will be sent to Chicago for worldwide competition, it being the 1967 Lions convention. First prize is \$25,000 and eight \$1,000 prizes will be given. More than 20,000 local and district awards will be made at that time.

"This year is Lions Golden Anniversary, Young said. 'We are hopeful that one of our young people will be the winner of this world-wide prestige award.'

"We need to focus attention on the need for world peace," he added.

Entries should be submitted in essay form and should not exceed 5,000 words, Gordon said. Contestants should contact Gordon, Young, or any Lion member or school principal for contest details, Gordon said.

"We need to focus attention on the need for world peace," he added.

Trustees Cut Milk Back to a Nickel

The Lemon Grove School Board, following the policy of the major auto manufacturer who first raised, then lowered the price of his autos, cut the price of milk one cent a bottle.

At a prior board meeting, trustees increased the cost of milk to youngsters from five cents to six. Monday night the price was dropped to five cents after the State School Lunch Department advised that the school's cafeterias would have a one cent margin regardless of whether the price was five cents or six.

In other business the board approved an additional kindergarten class at San Altos school and noted that enrollment increased 82 pupils since opening day with kindergarten enrollment at 500 — 35 more than had been anticipated.

The board approved the establishing of the third educationally handicapped class. It will be at Vista La Mesa school.

The Board appointed Byron Netzel as the Board's agent

and Dr. Douglas Giles as curriculum coordinator for the Instrumental Television program to be started later this year. The cost of instructional television to the district will be 50 cents per pupil with 25 cents being returned to the district by the state.

Nov. Issues On Docket

The League of Women Voters of Grossmont-Cajon Valley will hold two meetings today with the voters service committee presenting pros and cons on the sixteen propositions on the November ballot.

The units will be informational meetings on the propositions which range from constitutional revision to boxing and wrestling contests.

Mrs. Rachel Long is voters service chairman. The public is invited.

The morning meeting will be at the home of Mrs. Doris Shannon, 8583 Highwood Dr., San Diego, with the afternoon meet at the home of Mrs. Marianna Vander Werf, 657 Cedar St., El Cajon. Times are 9:30 a.m. and 12:45 p.m.

LG Woman's Jrs. Meet Tonight

The Lemon Grove Woman's Club Juniors will hold an Orientation Meeting tonight at 8 at the home of Mrs. William Jackson, immediate past president of the club, 1298 Naville St., El Cajon.

Mrs. Terry Wickstrom, president, will welcome prospective members and explain the function of the club. Mrs. Wallace Sneathen first vice president of San Diego District Calif. Federation of Woman's Clubs Junior Membership, will be guest speaker.

Mrs. Thomas Scanlan, membership chairman, is in charge of the event.

TODAY'S Meditation

Read II Corinthians 12:1-10

Three times I besought the Lord about this, that it should leave me; but he said to me, "My grace is sufficient for you, for my power is made perfect in weakness." (II Corinthians 12:8-9, RSV)

The famous French novel "The Devil at Noon" by Paul Bourget, suggests that even at a mature age man may have to face the strong awakening of some forms of temptation.

In Second Corinthians we have the personal testimony of Paul who knew what it is to be harassed by human weakness. Whenever we are tried, the outcome depends much on how we react under the trial. This is a clear fact to me at this stage of my life more than ever before.

As a rule, victory over temptation is not granted once for all. It is provided as needed through abiding with the Lord, who said, "My grace is sufficient for you." Our cries to the Lord for help in times of testing tell that we sincerely want the inward peace and victorious living which He alone can give.

Prayer: O Lord, who was tempted in every respect as we are, yet without falling, we bless Thy name with thanksgiving. Thou art truly the Savior who offers and gives victorious living. Grant us to remember that none who waits or Thine shall be left unaided. We pray in Thy holy name. Amen.

Though for the day: Victory over temptation is provided by abiding in the Lord, whose grace is sufficient.

"Unreality" To Be Read

"The things which are seen are temporal; but the things which are not seen are eternal." This well-known verse from II Corinthians will be the Golden Text of the Lesson-Sermon titled "Unreality," to be read in all Christian Science churches this Sunday.

From the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following correlative passage will be quoted:

"Befogged in error (the error of believing that matter can be intelligent for good or evil), we can catch clear glimpses of God only as the mists disperse, or as they melt into such thinness that we perceive the divine image in some word or deed which indicates the true idea, — the supremacy and reality of good, the nothingness and unreality of evil."

Diabetes Meeting Scheduled Oct. 2

"Diabetes, Genetics, Families and Relatives" will be the topic of discussion at the Oct. 2 meeting of the San Diego Chapter of the Diabetes Association of Southern California at the Indoor Sports Club, 3030 Front St., San Diego.

Edward Krehbiel, Ph.D., will be the principal speaker. Dr. Krehbiel is Professor of Genetics at San Diego State College and Grossmont College.

'A Case Of Libel' Starts Tuesday

The thirtieth anniversary season of the Old Globe Theatre opens Tuesday with "A Case of Libel." Performances will be Tuesday through Sunday for a limited run through Oct. 30.

Producing director Craig Noel is staging the play. The Old Globe Theatre is presenting the first San Diego production of "A Case of Libel."

Based on the book "My Life in Court" by Louis Nizer, the courtroom drama relates the libel action taken by war correspondent Quentin Reynolds against syndicated columnist Westbrook Pegler. In January 1950, Reynolds sued Pegler for \$500,000 in a case that lasted for more than four years. Pegler had written an article published in November, 1949 that Reynolds contended was "untrue, malicious and injured his reputation as a journalist, war correspondent, author and lecturer." The 1954 trial lasted seven weeks.

Performances are scheduled Tuesday, Wednesday, Thursday and Sunday at 8 p.m. and Friday and Saturday at 8:30 p.m.

United Crusade To Benefit From Gulls' Opener

The San Diego Gulls will donate a portion of their proceeds from the Grand Opening of the new \$6.5 million San Diego International Sports Arena to the United Crusade.

The announcement was made Monday night during the annual United Crusade Kickoff Banquet at the El Cortez Hotel, in a joint statement by R. B. "Bud" James, 1966 campaign chairman, and Robert Breitbard, president of the San Diego Gulls Hockey Club.

The Gulls will meet the Seattle Totems in a Western Hockey League clash Thursday, Nov. 17, in the Grand Opening attraction of the San Diego International Sports Arena.

The funds contributed by the San Diego Gulls will go toward United Crusade's 1966 goal of \$4,300,000. United Crusade funds are distributed to more than 70 member organizations of health, welfare and youth agencies, in San Diego County.

The new San Diego International Sports Arena is in the final phase of construction in the Midway-Frontier section of Pt. Loma. It will have a seating capacity of 13,500 for hockey with 33 acres of parking for more than 4,000 cars.

Tickets for the Grand Opening will be on sale Monday, Oct. 17, at the Sports Arena, 3500 Frontier St.

VALLEY GROVE COUNCIL — Mrs. Ronald Duncan, right, will head the Valley Grove Council PTA for the 1966-67 term. Here she accepts the gavel from outgoing president

Mrs. George Whyte. The Council acts as the spearheading organization for the 14 elementary schools in Spring Valley and Lemon Grove.

Valley Grove Council President Mrs. Duncan Leads Active Life

Mrs. Lillian Duncan of 8732 Adriana St., Spring Valley, is this year's president of Valley Grove Council PTA organization. She succeeds Mrs. George Whyte.

Mrs. Duncan, a mother of two, has been active in clubwork, serving as parliamentarian, first vice president and two years as president of the La Presa Woman's Club. For two years she served as citizenship chairman for the Southern District Federated Women's Club.

She also has been president of Kempton PTA for two years

and at one time was parliamentarian.

Other posts she has held include secretary of Spring Valley Little League Auxiliary and auditor of Valley Grove Council PTA.

She is currently first vice president of Spring Valley Community Welfare, secretary of Spring Valley Bobby Sox League and health and welfare chairman of Spring Valley Junior High PTA. She has held the first vice president's post at Valley Grove.

Mrs. Duncan's husband, Ron, is an inspector at Rohr Corp.

Lunch Prices Hiked In High Schools

The Grossmont Union High School District Governing Board, at its meeting Sept. 19, adopted a cafeteria lunch price list calling for an increase in the cost of school lunches from 35 cents to 40 cents. This action was necessitated by increased food and labor costs; also, by cut-backs in the availability of federal surplus commodities.

In other action, the Governing Board authorized the District administration to secure a temporary loan from the County of San Diego in the amount of \$2,500,000 to carry the District until tax funds are made available.

Also approved transportation agreements with La Mesa-Spring Valley School District and Lemon Grove School District, respectively, whereby the elementary school districts will transport high school students in the cerebral palsied and physically handicapped program to the Cerebral Palsy Center on Madison Avenue, El Cajon.

Also denied a request from the Los Toros Pop Warner Football Club to use the Mt. Miguel High School football stadium for daily practice purposes; however, it was understood that the Club could use the stadium for games on week ends.

And denied a request from the Mt. Miguel High School band instructor that the Mt. Mi-

guel High School band be allowed to travel to San Francisco on the grounds that the limited time available for travel would result in undue fatigue to the students involved.

Former Valleyite Dies In Redding

Lawrence Mortimer of Big Bar, Calif., a former Spring Valley building contractor, died Sept. 8 in Redding, Calif.'s Mercy Hospital.

Mortimer, 58, resided with his family in Spring Valley from 1952 to 1962. His contracting firm built many homes in the Spring Valley and San Diego areas.

He was active in Little League baseball, helping form and manage one of the teams in a La Mesa league.

Survivors include his widow, Phyllis; a daughter, Diana; and a son, Larry, all of Big Bar; a niece, Norma Dooley of San Diego; a brother, Clarence of Santa Barbara; and two brothers and one sister in Missouri. Burial was in his home town of Brunswick, Mo.

Walter Rinear Receives Award

Four east San Diego County men have received service pins this month for their long-time service with the San Diego Gas & Electric Company.

Two La Mesa residents are 25-year employees. They are: Robert E. Parsley, 4786 Mayapan Dr., company controller; and Cleo T. Sharp, 8218 Pasadena Ave., helper in the electric construction and maintenance department.

El Cajon resident Frank P. Williams, 1354 Harold St., and Walter T. Rinear, 7129 Rosemary Ln., Lemon Grove, each have 20 years with SDG&E. Williams is the corporate insurance director. Rinear is an electrician in the electric construction and maintenance department.

before the United States Supreme Court because he is limited by state law to comply with requests of public officers and agencies and is not permitted to grant such service to "private" agencies—as Lynch did state in the Sacramento Bee Tuesday, Sept. 13—one day before filing the brief on behalf of Painter, "a private individual."

"If we accept Lynch's reason for declining to support Proposition 13, then his conduct in the Iowa case would make him a law breaker by his own standards."

RICHARD NEVINS

"Passage of Proposition 13 in November will result in a serious erosion of local government's property tax base," warned Richard Nevins, Southern California Member of the fourth Equalization District

Board of Equalization, as he urged cities and counties in seeking preferential property to join in his fight against so-called "green space lovers" tax treatment.

Urging local governmental jurisdictional to adopt resolutions opposing the measure, he pointed out that special treatment for a few is not only discriminatory, but it violates the assessment of all properties.

Nevins said that, as a tax official, he is both personally and professionally against the proposed constitutional amendment. He stressed that Proposition 13 would permit the lowering of taxes for special groups disguised as "open space conservators" whose taxes would necessarily be shifted to home owners, business people, and industrial property owners.

Cleveland murder conviction "since the state trial judge did not fulfill his duty to protect Sheppard from the inherently prejudicial publicity which saturated the community and to control disruptive influences in the courtroom..."

We now find press freedom in a head-to-head confrontation with the right to fair trial.

There are those who would minimize this conflict, but it is real and it is dangerous. In this very decision the Supreme Court cited this language:

"The principle that Justice cannot survive behind walls of silence has long been reflected in the Anglo-American distrust for secret trials... A responsible press has always been regarded as the handmaiden of effective judicial administration, especially in the criminal field. Its function in this regard is documented by an impressive record of service over several centuries. The press does not simply publish information about trials, but guards against the miscarriage of justice by subjecting the police, prosecutors and judicial process to extensive public scrutiny and criticism..."

Yet the reversal itself because of "inherently prejudicial publicity" has had reverberations through the nation. Police fear to question suspects, let alone tell the inquiring reporter the pertinent details about a crime. Prosecutors "dummy up" rather than prejudice their own efforts by the threat of a reversal. Judges make arbitrary rulings which close the channels of information and justify it all by the Sheppard decision.

At the base of this is the lack of faith of the courts in the integrity of its own people and in the honesty of jurors. It may become the duty of the press to prove to the courts that in this day, the uninformed man is so dangerously out of touch with the mainstream of life that he is suspect — and that a juror, even though prejudiced by pre-trial news coverage, can and will discard that prejudice when so instructed by the court.

Meanwhile the press, the guardian of freedom, must guard its own ways that the right to a fair trial is not unnecessarily prejudiced by the name-calling headline, or by the fruitless exploitation of information not admissible in the trial.

We who exercise the Freedom of the Press in the name of the public must be ever worthy of the trust imposed upon us.

MINIMIZING THE TAX COST IN AN ESTATE.

Long ago, our Courts pointed out that paying the largest tax is not a necessary element of patriotism. All of us know the difference between evading and avoiding taxes.

Our current Federal tax laws actually show the way to the postponement of substantial amounts of estate taxes.

While the primary parties in a tax-saving effort are the property owners and his heirs, there is also a supporting staff, and each member can and does make a substantial contribution toward minimizing the tax cost in an estate.

The supporting staff includes the insurance underwriters, the trust officer, the accountant, and the attorney.

A Team Effort

The underwriter demonstrates the need for liquidity to pay taxes and expenses and thus forestalls sales of valuable estate property. The accountant in addition to his other functions can be helpful in estimating the property values on which the plans will be based. The trust officer may explain to the property owner the general areas of tax savings and services for those who establish irrevocable trusts and testamentary trusts to reduce successive tax bites. It is the attorney who ties together the many family and tax-saving objectives of the property owner, the contracts provided by the underwriter, and the services of the trust officer's organization — all into an integrated plan suited to the client and the client's heirs.

The property owners' heirs may be primary parties in this tax-saving effort because they can encourage early and informed estate planning, restraining the property owners from making gifts without proper legal and tax advice, drawing holographic Wills, or short-cutting the transfer for property by such devices at joint tenancy.

Taxes Hit Hard

All too frequently the result of no planning at all or planning without competent advice is that the heirs, themselves, pay the penalty through higher, unexpected, and unnecessary outlays of tax money.

As the property owner, you could dispose of some or all of your estate during your lifetime with most interesting tax results. You could make use of gift tax exclusions and exemptions, transfer income-tax responsibility in the property given, pay no estate or gift tax on charitable donations, and if you must pay a gift tax, you would be told that it is much less than the estate tax.

Post-mortem tax planning complements this advance lifetime planning by working out efficiently and economically the various programs designed to save taxes.

Tax Returns

Tax returns must be accurate, must be filed promptly, be complete in all respects, and must take advantage of all proper deductions, exemptions, exclusions, credits, options, discounts, and installment payments that the tax law allows, and must avoid all penalties and interest.

Property evaluation is also a most important part of post-mortem tax planning, for on the valuation of the estate, executor, attorney, and appraiser fees are fixed, taxes of all types are assessed, and such values establish the basis for capital gain or loss on later sale. A recently reported estate found the appraiser fixing the value on a farm close to a growing city at \$157,000, with federal taxing authorities making an estimate of \$897,000. The tax court finally fixed a value of \$240,000. As you can see, whatever value would have been accepted would have had an immediate effect on inheritance-tax and Federal estate tax costs, depreciation schedules now and capital gains later.

Women's Volleyball League Organized

Play in a newly-organized women's volleyball league will begin on Oct. 10 at 7 p.m. at Balboa Park Gym under supervision of the San Diego Recreation Department.

Entries for the event are due prior to Oct. 6 at Balboa Park Gym. Teams may carry up to 12 players on the roster but all must be 18 years of age or older, according to Joyce Euper, league commissioner.

Monarch Thinmen Smash San Diego, Sweetwater

By Bob Wasilewski

Monte Vista High's defending CIF and Grossmont League champion cross country team opened its 1966 season in fine form Friday by walling two non-league opponents on the Monarch course.

Coach Bob Larsen's charges totaled 17 points to San Diego High's 54 and Sweetwater's 71 to ease to the win. Don Olsen, returning all-CIF runner, won

the race with a clocking of 10:14.5, three seconds off the course record.

Dave Matheny, Rodney Stephens and sophomore Dave Carter followed Olsen to the finish line. John Jacobson of San Diego was fifth with Carlos Davala of Sweetwater sixth.

Seventh, eighth and ninth places respectively went to Monarchs Brent Wilson, Danny Ungricht and Danny Matheny.

Orvin Romo of San Diego finished the top ten.

The Monarch junior varsity compiled a perfect score of 15 in handling its two opponents with ease. San Diego scored 59 and Sweetwater 68.

Dale Olsen, Don's brother, won the jayvees with a time of 11:23.

The Monarchs open the Grossmont League campaign Friday at 3 p.m. at home against Grossmont High.

Griffs Capture Long Beach Invitational For 3rd Time

Grossmont College won the overall championship of the Long Beach Invitational Cross Country Run Saturday for the third year in a row.

The Griffins, coached by Ron Vavra, placed the first two runners in the small schools

division and recorded a combined total for five runners of 97:50 to top large school winner Pasadena City College's 99:30.

Bill Lawson, a freshman from El Cajon High, won the small schools race with a time of 19:22. Verne Wilkinson, from Mount Miguel High, was second at 19:21. The pair ran one-two throughout the race.

Erich Russell, a Griffin from Helix High, was fifth at 19:57. He was third much of the race but fell back when a recurring leg injury befell him.

Steve Bickley, also a Mount Miguel grad, was ninth at 20:20. Fred Loegel, a Morse High product from Casa de Oro, was 17th with a time of 21:15.

Grossmont totaled 34 points to finish far in front of Southwestern College's 76. Mesa Col-

lege was third at 87 and Golden West fourth with 106. San Diego City College was fifth with 125. All but Golden West are members of the Pacific Southwest Conference.

The Griffin's next competition will be Oct. 7. They will meet rival Mesa in the first conference meet of the year. Grossmont will host the meet at 3:30 p.m.

A national junior college publication has picked the Griffins as pre-meet favorites for the State Junior College Championships, a title they gained last season.

Fall Recreation Registration Set

Registration for the fall semester programs at the La Mesa Recreation Department is still open, according to general supervisor Skip Penn. All classes will carry a registration fee.

Dance classes in tap, ballet, modern, acrobatic, hula and square dance are offered for all persons over five years of age.

Gymnastics, golf, table tennis, scuba diving, tennis, archery and swimming will be offered to boys and girls.

Boys ages six years and up can participate in the wrestling program. Teenage girls will benefit from charm and modeling classes. A rod and reel class will be organized for boys eight through 14 years of age. Baton twirling classes also will be available.

The Recreation Center is located at 8440 University Ave., La Mesa.

Modifieds Race Sat.

The Modified Sportsmen will culminate a 19-week racing season Saturday night when they compete in their final regular program of the year at Cajon Speedway.

Over 40 cars are expected to enter qualifying at 6:30 p.m. at the El Cajon track. Only the running of the Grand Prix, scheduled for Oct. 15, and the Open competition program Oct. 29 remain on the Modified Sportsmen's calendar of events.

Don Edmunds won the last main event and will be favored to score his sixth feature win of the year. Frank Secrist of Bakersfield also has five feature victories.

Jack Clegg of Santee presently leads the point standings with a 1,325 total. Secrist is second with 1,170.

Spring Valley's Lee Robison is ninth with 340 points and a single main event win.

Also on the program Saturday night will be a trophy dash, four heat races, a 15-lap semi-main and the featured 30-lap main.

Orchestra Rehearsals To Be Wednesday Eves.

Dr. Robert Emile, Grossmont College Music Department, has announced that the Grossmont College-Community Orchestra will hold rehearsals at 7:30 p.m. every Wednesday evening, for the 1966-67 season. All rehearsals will be in room 221 of the college's Fine Arts Center.

In announcing the rehearsals, Dr. Emile said, "We are particularly interested in having citizens of the community join our students in this endeavor to provide orchestral experience for musicians of the area. Vacancies now exist in the string and double reed sections, as anyone with average musical ability, regardless of instrumental specialty, is encouraged to join us for either personal or community enrichment."

There are no student or enrollment fees required for membership in the College-Community Orchestra. The College-Community Orchestra will participate with the Student Concert Band and Student Choir in the winter and spring concert performed annually in January and May at Grossmont College.

Valley Rec. Program Registration Open

Registration for the fall-winter 1966-67 recreation program in the Spring Valley Recreation District will begin Monday. For information, phone 469-4128.

All activities will take place at Mount Miguel High School, 1800 Sweetwater Rd. The gymnasium will be open Mondays and Wednesdays from 6:30 p.m. and Saturdays 10 a.m.-4 p.m.

The program is open for all persons fourth grade and over.

Basketball will be held in the gym Monday and Wednesday nights. Gymnastics, tennis and wrestling are slated for Saturdays.

Badminton, racket, table tennis and volleyball will be offered as requested.

The department will conduct several track meets with the dates to be announced at a later time.

Sunday Finale Set For Surf Tourney

The third annual World Surfing Championships, currently under way in San Diego, will end Sunday with the men's and women's surfing finals.

The tandem contest, which will begin Saturday, will continue with optional maneuvers. Also on the program will be a two-man Dory race through the surf at Ocean Beach.

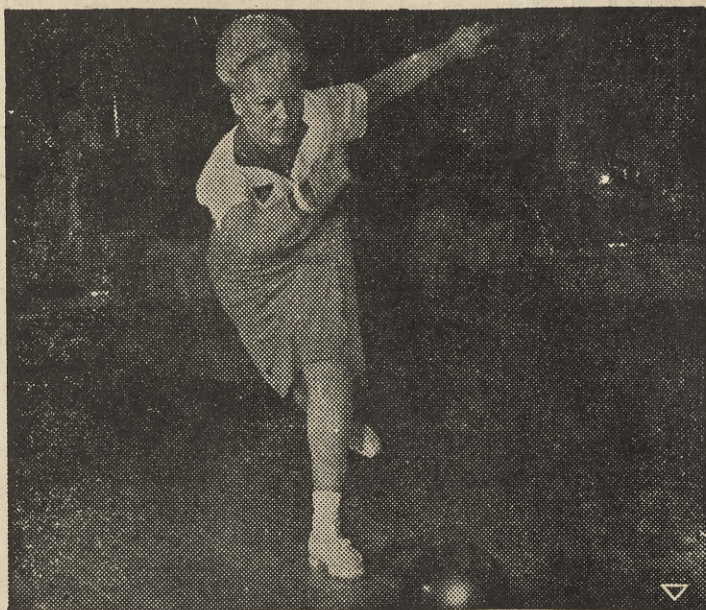

THE THUNDERING HERD — This scene, the start of a cross country race, will be repeated many times this year as prep runners start the 1966 Grossmont League season Friday. In local action, Monte Vista will host Grossmont and Mount Miguel will be at home against Helix.

Bowling For Better Scores

By Evelyn Teal 1964-65 All American Team

Position at the Foul Line
Last of Seven Articles

In all sports, form plays a very important part and bowling is no exception. If you finish badly at the foul line, then you have improperly performed some basic part of the four-step delivery. If all the steps had been executed properly, you would finish with your sliding foot pointing directly toward the pins. Your shoulders will be parallel to the foul line. Your sliding knee would be bent slightly to insure a perfect slide and to maintain good balance.

Your pendulum arm swing, if executed properly, will bring the ball about four to six inches to the side of your sliding foot. Your bowling arm will continue smoothly upwards in making a "straight-follow through." Always strive for correct form to give your maximum scoring. If you find that you are finishing poorly at the foul line, examine your delivery and correct only the points that need it; don't think that everything is wrong.

Sports Arena Ice Rink Ready

San Diego International Sports Arena is ready for hockey.

At least the new \$6.5 million multi-purpose facility's ice rink is ready and will receive its first test in less than two weeks.

The rink, 17,500 square feet of it, was completed this week by general contractor Trepte Construction when 51,200 linear pipe was covered with 312 yards of concrete.

The San Diego International Sports Arena will have its Grand Opening Thursday, Nov.

17, when the new San Diego Gulls hockey team meets the Seattle Totems in a Western Hockey League clash.

The Sports Arena, located in the Midway-Frontier section of Pt. Loma, will have 33 acres of parking for more than 4,000 cars.

The Sports Arena will have a seating capacity of 13,500 for hockey. Each seat is an individual, fully-upholstered, theater-type chair. Complete air conditioning, concession stands and cocktail lounges are available for comfort and convenience.

Matadors, Monarchs Play Non-League Foes

Mount Miguel and Monte Vista will play non-league foes Friday night in tuneup contests for the Grossmont League football season, which begins Oct. 7.

The Matadors will visit the South Bay area to take on Sweetwater High's Red Devils of the Metropolitan League while Monte Vista travels to Mount Miguel Stadium to host Western League entry Mission Bay.

Miguel turned in a 6-0 win over El Cajon's Braves while Monte Vista yielded two touchdowns to Santana High in last week's Grossmont District League Football Carnival in Aztec Bowl.

Tom Van Zant, a 145-pound fullback, scored the Matadors TD in their 12-minute period.

Sweeties Lose
The Matadors will be taking on a Sweetwater team that dropped a 19-0 decision to Eastern League powerhouse Crawford last week in a regulation contest.

The Sweeties have been labeled by pre-season prognosticators as a distinct threat for the Metro title and a CIF playoff berth.

Monte Vista's opponent, the Buccaneers of Mission Bay, opened its campaign by squealing Castle Park, another Metro club, 16-6.

The Bucs will have a score to settle with Monte Vista since they lost 13-0 to the Spring Valley eleven last season. It was

Learn Spanish The Easy Way

Hardison's Telespanish

by James Hardison

The question is frequently asked "How does someone begin to learn Spanish?" The answer to this question will vary from person to person. Basically one can begin to learn Spanish just by self-application in repeating words or phrases which have been heard. Naturally, words and phrases which are interesting or useful to us in our daily activities are the ones we will learn more quickly.

Our first words in English may have been "yes," "no," "mama," or "papa" because at that time they were either the most interesting or useful to us. In Spanish "Si," "no," "mama," or "papa," are equally important.

Words like "mio" (mine), "tuyo" (yours), and "suyo" (his) became important as we learned to identify possessions. Thus we might have learned "Es mio." (It is mine), "Es tuyo." (It is yours), and "Es suyo." (It is his) as natural successive phrases for the single words "mio, tuyo, y suyo."

When possessions were found not to belong to someone, a negative expression might be used. For example, "No es mio." (It is not mine), "No es tuyo." (It is not yours), and "No es suyo." (It is not his.) could be said.

Read over the practice words and phrases in today's lesson and see how well you can learn to say them.

Important Expressions:

Say "Es tuyo?" (ehs TOO-yoh)
for "Is it yours?"
Say "Si, es mio." (see ehs MEE-oh)
for "Yes, it is mine."

Household Expressions:

Say "La casa es suya." (lah KAH-sah ehs SOO-yah)
for "The house is his."
Say "El coche es mio." (ehl KOH-cheh ehs MET-oh)
for "The car is mine."

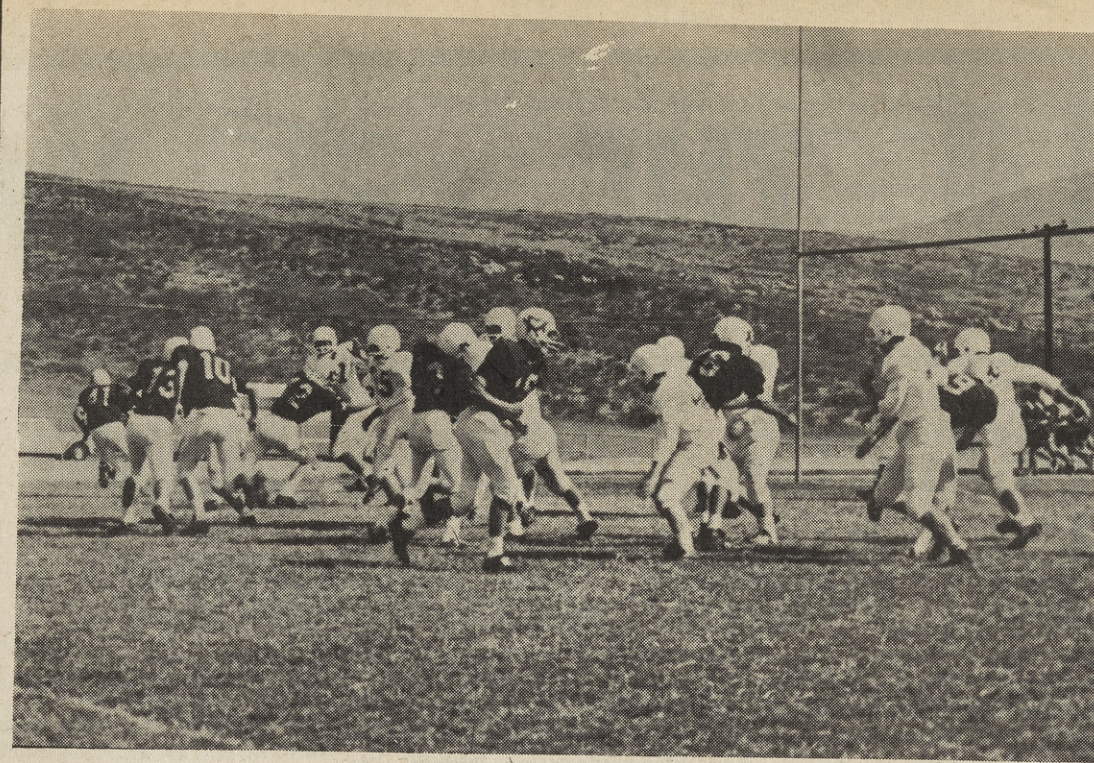

Travel Expressions:

Say "El vells es suyo." (ehl veh-LEES ehs SOO-yoh)
for "The luggage is his."
Say "No es mio." (noh es MEE-oh)
for "It is not mine."

Readers who subscribe to this newspaper may dial 276-2762 and hear the above Spanish expressions verbally presented on a two minute automatic recording. Time intervals are provided inviting readers to practice repeating aloud each word and phrase.

PR Seminar-Workshop Slated For Women

Mrs. Eugene Otto, district press chairman for the San Diego District Federation of Women's Clubs, Junior Membership, has announced a public relations seminar and workshop will be held this morning at 9 a.m. at the Lemon Grove Women's Clubhouse, 2810 Main St., Lemon Grove.

Serving as moderator will be Lester Tokars, secretary of Sigma Delta Chi, International Journalistic Society and public relations & students activities coordinator for San Diego Evening College.

Guest panelists will be Virginia Spiller of the San Diego Union; Jeannette Brannin of the Independent Newspaper; Natalie Best of KOGO TV; and Pat Polakowski, president of the Southern California Press Women's Club.

Assisting Mrs. Otto with arrangements will be Mrs. Terry Wickstrom, president of the Lemon Grove Juniors, and Mrs. William Bowers, first vice president, Lemon Grove Juniors.

Press chairmen and club presidents from the 21 clubs in the

San Diego District are expected to attend. Also invited are press chairmen and presidents from the Women's Clubs in the San Diego area. Special guests will be Mrs. Raymond Prell, district president.

Pollster Sees GOP Landslide

"When Republicans contribute to the campaigns of GOP candidates in this year's election, they'll be contributing to a winning cause." That's the opinion of Charles G. Kerch, local political pollster, who, in a report to the GOP fund-raising dinner committee, recently forecast a "Reagan landslide" in the November election.

Kerch reported on a survey he completed while he said indicated that GOP gubernatorial candidate Ronald Reagan will win between 38 and 49 percent of the Democrat votes in California, as well as over 90 percent of the Republican votes.

"In the last 30 days the swing to Reagan has become even more apparent than indicated by previous surveys and now has reached landslide proportions," he said.

"Republican success in the races for all partisan offices in California will be determined, to an extent, by how well Republicans give financial support to the campaigns of their candidates," Kerch added.

Robert J. Cooney, chairman of the GOP \$100-a-plate fund-raising dinner committee, said that tickets to the Sept. 30 banquet are selling extremely well and he forecast success in reaching the goal of "at least 1,000" at the dinner, where Ronald Reagan will deliver what the GOP candidate's aides call a "major address" in his campaign. The banquet will be in the Crown Room of Hotel de Coronado.

Landlords Group To Expand

Nelson Millsberg, San Diego attorney and president of the Apartment and Rental Owners Association of San Diego County for the past two years, announces a large expansion for that organization.

"We plan to increase our present membership of 1,000 to 3,000 and move into the really big league of trade organizations."

Chief reason for the big expansion is to gain enough strength to combat more effectively the epidemic of adverse laws, local, state and national, that are hamstringing the industry.

"They are beating us to death in Sacramento," says Millsberg. "They have been eating away our rights under the baggage lien law for years. Then we had the Rumford Act and the State Supreme Court's killing of 14. Bill AB 80."

"Now the tax bill, AB 80, just passed, calls for an assessed valuation of a full 25% (by 1972) of the sales price of all real estate. The increases will start in 1967."

"This could be confiscatory to apartment owners and home owners as well."

"Locally the pending 43% increase in sewer charges and 15% increase in water rates would be very costly to apartment owners. We have the regulation under study now."

"There are approximately 6,000 rental owners in San Diego County, but only 1,000 of us are putting up any resistance. Every time we lose a fight (like the forced housing act), all apartment owners lose."

Property Tax

"It is imperative that we do something about getting me in office who at least are no hostile to the apartment industry."

"One of our primary objectives is to see what can be done about the real property tax."

"Everyone, including most government officials, agrees it is excessive and unfair, but no one takes any action."

"Philip E. Watson, assessor of Los Angeles County, has announced the start of an initiative petition to put a tax ceiling proposal on the 1968 ballot. Our State Apartment Association is backing this."

"This could be our opening wedge. The State of Washington passed a real property tax limit bill in the 1930's. We are also investigating the operation of this bill."

Grove Skater Enters Ice Competition

Jan Shinski of Lemon Grove will be among the San Diego Figure Skating Club members who will compete for trophies and medals in nine events during the Club's annual competition at the Mission Valley Ice Arena Oct. 3 and 10 from 5 to 8 p.m.

Jan, a fifth grader at Mt. Vernon School, has been in Club competition three times before, winning a first place trophy each time. She is the daughter of Mr. and Mrs. George Shinski 2827 Skyline Dr.

The ice skating competition will test skill in both figures and freestyle exhibitions. Spectators are welcome at the open air ice area, located in the Mission Valley Center.

For some of the advanced skaters, the local competition is training ground for regional district and national competitions scheduled by the U.S. Figure Skating Association during the next few months.

The San Diego Figure Skating Club is affiliated with the U.S. Figure Skating Club and is affiliated with the U.S. Figure Skating Association and holds junior and senior sessions weekly at the Mission Valley Ice Arena with private ice and instruction for members. Any one interested in figure skating is invited to attend one session as a guest. Additional information is available at the arena.

Sam Vener Signs Fair Campaign Code

Sam Vener, Republican candidate for Congress in the 37th District, has signed the Code of Fair Campaign Practices and called on his opponent to do the same.

The Code was drawn up by the Fair Campaign Practices Committee, on which the two living former Presidents, Dwight D. Eisenhower and Harry S. Truman, serve as honorary members. The Committee is composed of officials of both political parties and other leading citizens.

"The issues today are sharply drawn," said Vener, "and the differences between the two political parties are too great to make necessary any personal vilification, character definition, whispering campaigns, libel, slander or scurrilous attacks on any candidate or his personal or family life."

"I expect to win simply by pointing to and discussing the legitimate issues, such as the rapidly increasing cost of living, high interest rates, the mess in Vietnam, scandal surrounding the awarding of fat government contracts via contributions to our President's Club, riots in the cities and the prevailing general contempt for law and order."

Grove Banker Named To Post

Veteran San Diego banker Charles A. DeJoseph of Lemon Grove has been named vice president-manager of the La Mesa branch of Bank of America.

His appointment was announced by senior vice president C. O. Phillips, executive officer for the bank in San Diego.

A banker for four decades, DeJoseph has spent most of the past 20 years in San Diego County. He has been manager of the 42nd-El Cajon branch for the past year, and prior to that headed the National-Sampson and Ramona branches and served two years as the bank's business development officer in the county. He first came to San Diego as an assistant cashier at Ocean Beach.

DeJoseph began his career at a bank in New York City, joining Bank of Italy (predecessor to Bank of America) in 1928 at a branch in Stockton. He served at branches in northern California until 1943, when he left for a three-year hitch in the navy. On his return, he came to Ocean Beach.

Active in community affairs throughout his career, DeJoseph is currently president-elect of the Harbor Kiwanis Club, a director of the El Cajon Boulevard Association, and a member of the Navy League.

He was born in New York City, and attended school in Tarrytown, New York.

DeJoseph, his wife Cecile Ellen and their 18-year-old son Charles M. live at 8235 Golden Ave.

Treasurer B. Betts

Betts Claims Big Savings For Taxpayers

State Treasurer Bert A. Betts said that residents of Spring Valley and Lemon Grove are \$260,000 richer each year because of savings and earnings he has developed in programs administered by the Treasurer.

Betts, on a visit here, said this sum is \$126,000 for Lemon Grove and \$133,875 for Spring Valley. He said he saved and earned \$98 million annually for Californians.

"Restoration of competitive bidding on State bonds, plus greater flexibility in bond sales, realizes some \$40 million in savings on interest costs; while refinements in our program of investing State surplus money have increased earnings to \$ million," Betts said.

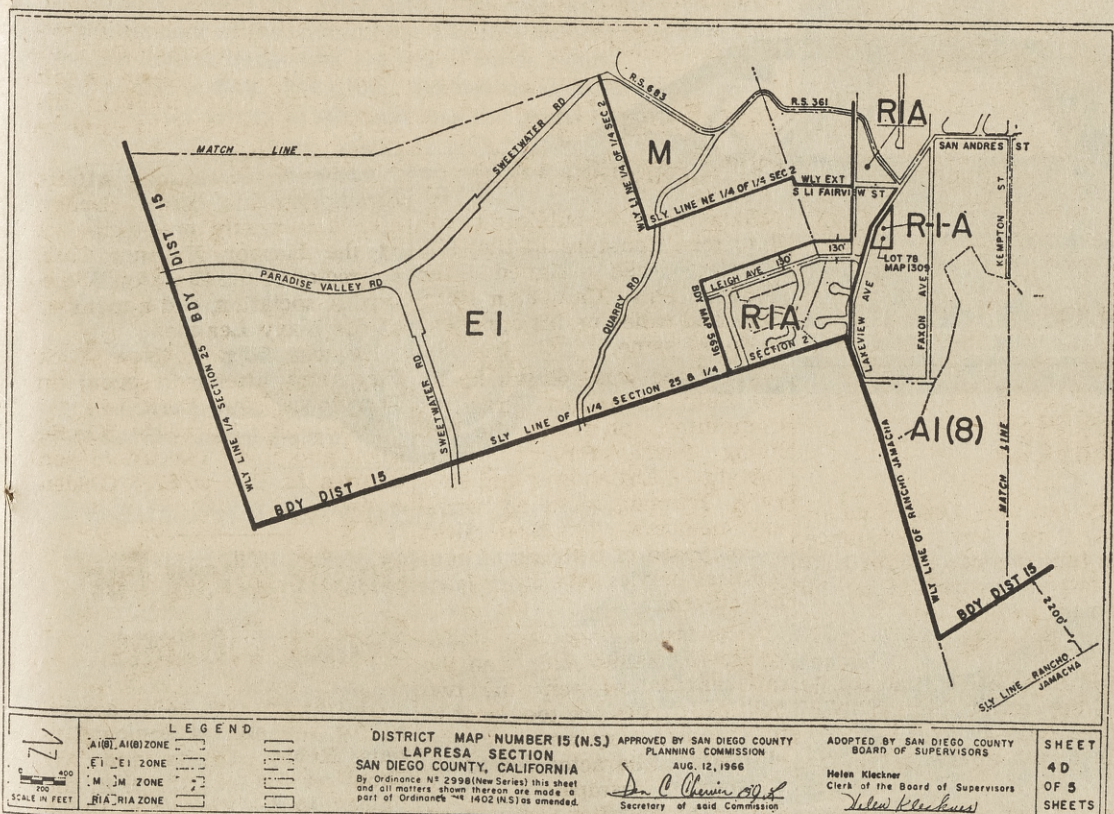

Betts, seeking his third term as State Treasurer, pointed out that both programs represent a net gain to California citizens since money saved and earned by him would otherwise have to be raised through taxes.

A Lemon Grove Certified Public Accountant, Betts was elected Treasurer in 1958, re-elected by a substantial majority in 1962. He is the only State Treasurer to have been named winner of the City of Louisville Award, conferred annually by the Municipal Finance Officers Association of the United States and Canada upon the outstanding fiscal officer of those two nations.

Miami Dolphins Here To Meet SD Chargers

Bullet-quick and larceny-minded, the San Diego Chargers gun for their fourth successive victory Sunday against the Miami Dolphins at Balboa Stadium. Kickoff is 1:30 p.m.

Charger defenders have intercepted 11 passes and Charger receivers have fast-handed key catches to spark wins over Buffalo, Boston and Oakland.

A crowd of more than 25,000 is expected Sunday for San Diego's only home game in four weeks. After engaging the Dolphins, the Chargers head east for games at New York, Buffalo and Boston. To take a 4-0 record on the trip is the goal this week, but coach Sid Gillman is not looking past Miami. Said Gillman:

"They've had two weeks to prepare for us and two months to jell into a solid team. They have fine material. I know they would like nothing better than to knock us off."

Miami (0-3) was anything but a pushover in losing to Oakland, 23-14, and powerful New York, 19-14. But the Dolphins had the misfortune of running into a Buffalo team, rebounding from two losses, and were 58-24 victims. They had a bye last weekend.

In the old college tradition, Sunday's game will be a combination Homecoming and Dad's Day for Miami.

Six Dolphins are former Chargers and five are starters ends Dave Kocourek and Bo Roberson, guard Ernie Park and defensive backs Jim Warren and Dick Westmorland. The reserve is defensive back Pete Jaquess.

It will be Dad's Day for coach George Wilson, who has selected for the starting quarterback assignment a rookie named George Wilson Jr., his son. Sounds like a "Make Room for Daddy" script for Dolphin owner Danny Thomas.

A couple of guys named Joe complete the Miami backfield—left half Joe Auer and fullback Billy Joe.

For the second week, San Diego is scheduled to start sophomore Gene Foster and Jim Allison at running backs ahead of veterans Paul Lowe and Keith Lincoln.

All were used extensively as

the Chargers defeated the Raiders, 29-20, before 37,183 at the new Oakland Coliseum last Sunday. But rushing honors went to none of them. Quarterback John Hadl led the way with 39 yards in four carries.

Big play for the Chargers in a blood and thunder game was a brilliant 43-yard reception by Lance Alworth. Oakland had just closed the score to 22-20 with six minutes to play and had momentum and the wind in its favor. Under double coverage, Alworth had to fight to get downfield to make a leap-and-grab between the two defenders of the bullseye pass from Hadl. The Chargers went on to score in two plays.

Big play for the Chargers was little Speedy Duncan, who made three interceptions and did a great job of covering Art Powell. The Raider star was limited to three receptions, two of them coming in the final minute. Duncan also gained 43 yards on three punt returns.

The three interceptions tied a Charger club record set by Charlie McNeil, and equalled by McNeil, Dick Harris and Bud Whitehead.

San Diego's 11 interceptions this year have been made by six players. The Chargers have allowed only 34 pass completions of 99 attempts and only one aerial touchdown.

Babe Ruth hit 714 home runs.

SAIGON — Warrant Officer 1, Jacques C. Allen of 739 Ramona Ave., Spring Valley, is having the insignia of his new rank pinned on his collar by Colonels E. D. Bryson, U.S. Army, and Robert E. Lynch, U.S. Army, of the Adjutant General Section. Warrant Officer Allen received two honors the same week. On the 22nd of August he was awarded the Bronze Star Medal for meritorious service in the Republic of Vietnam, for the period Sept. 1965 to Aug. 1966, and he received his appointment to Warrant Officer Aug. 24. Warrant Officer Allen graduated from Sweetwater Union High School in 1961. He attended Kansas State University for six months

and also the University of Maryland (Far East Division) for six months. He is the son of Earl V. and Sybil M. Appleby of 739 Ramona Ave., Spring Valley. He entered the Army on June 30, 1961 and completed Basic Training at Fort Ord, in August the same year. Prior to coming to Vietnam on Sept. 1, 1965, Warrant Officer Allen was stationed at the Presidio of San Francisco, with Headquarters, XV U.S. Army Corps. During his Vietnam tour of duty, he has been assigned to duty as a Unit Personal Technician. His wife, Charlene, is presently residing in Spring Valley.

Record Crowd Seen For GOP \$100 Dinner

A crowd of over 1,000 will be on hand Friday evening to hear Ronald Reagan, GOP nominee for governor, when he speaks at San Diego County Republicans' annual \$100-a-plate fundraising dinner at the Hotel del Coronado, according to Robert J. Cooney, general chairman of the GOP banquet committee. Cooney announced that Congressman Bob Wilson (R-Calif.) will introduce Reagan. Although tickets to the affair have been sold out, Cooney said, "There is a possibility that last-minute cancellations may make a few reserved seats available at the banquet. If any tickets do become available, they may be secured at headquarters of the San Diego County Republican Central Committee, in the San Diego Trust & Savings Building." Proceeds of the dinner will go to help finance the campaigns of state and local GOP candidates, Cooney said. Special decorations have been planned for the Crown Room, in the Hotel del Coronado, site of the annual dinner. Decorations and arrangements chairman, Mrs. James Hall, explained that centerpieces for the over 125 tables in the dining room will be helium-filled balloons, floating several feet above each table. A 60-foot sign, one of the largest campaign posters ever made locally for indoor use, will be displayed behind the two tier head table.

LETTERS TO THE EDITOR

Dear Editor:
May we please add our voice to the growing interest in swim pools for San Diego County.

Let us please think "big". Is San Diego going to lag behind all the rest of California in swimming when we have the most ideal climate for year around swimming.

By "big", we should never consider building less than a 50 meter pool preferably with a separate diving area. Those pools should be on high school grounds so swimming can become a major sport. They would then be maintained by both the school districts and the public.

But before we try to build new pools let us utilize to the utmost the facilities we now have. Let us join forces with cities, recreation districts and the County to keep Gillespie, National City, Coronado and any other 50 meter pools open all year so that our swim teams can swim in long course pools all year round.

Now we can develop some great swimmers, encourage superior coaches to this area and bring national swim meets to San Diego where they should be.

We feel we speak from some experience as owners of a private swim club that has been in business in Spring Valley for over ten years. For nine of these years we have had a small swim team which placed fifth this year in the P.S.A. championships.

The future citizens of our country are our children. What greater natural recreation can you give your children to build their moral and physical well-being?

Mrs. Elda Carovano, Secretary

belief in the goodness of people. My car was in the garage again and I had to get to College Grove. I phoned around and found out that by taking two buses I could do it.

The people answering my many questions about the buses, both in Lemon Grove and San Diego, were very kind and patient.

Going over I had a little more than a half hour wait for the local bus.

Since I had to wait longer than expected in one of the stores I missed the local bus coming back.

Even so I would have an hour and a half and more wait for the bus coming up this way. So I decided to walk, figuring it was about two miles. I hated the steep uphill parts but just couldn't see waiting almost two hours for the bus.

I was tired when I left College Grove. I had my hands full. When I was just to the bowling alley I was wondering how

was going to make it. Just then a woman in a station wagon pulled up ahead of me and asked if I'd like a lift. Never did anyone seem more like a guardian angel! When she heard where I lived she insisted on taking me home. I didn't raise any objections. I tried to let her know how very grateful and thankful was for her offer. I hoped she recognized the sincerity of my thanks.

It is good to know there are people who will go out of their way to help.

Show To Aid GOP Candidates

Mrs. Thomas Clabby, executive on the County Federation of Republican Women's Club and vice president of the Lemon Grove branch of the organization, has been named general chairman of a musical spoof on the Great Society. Mrs. Clabby, 1650 Angelus Ave., Lemon Grove, said the production, "On the Banks of the Potomac" is being staged by professional performers but the GOPs are putting it on "on a shoestring".

All performers will give their services free. Proceeds will be used to aid Republican candidates.

Tickets are available by calling 295-5181.
